DATE: 13/04/2024

Dear Parents/Guardians,

We are writing to inform you about a new assessment initiative (Concept Building Test) that we will be implementing at Meridian International School.

Starting from **02/05/24** (it will be taken with regular classes), we will introduce a 10-mark test format before each periodic test, mid-term, and final exam. there will be a total no of four tests named concept building tests apart from Periodic tests, MID term, and Final. These tests will serve as preparatory assessments to help students gauge their understanding of the upcoming material and prepare more effectively for their exams. The marks scored in these CBTs will be added to students' periodic test marks, so it is mandatory to participate in this.

The purpose of these tests is to:

1. Provide students with an opportunity to revise and reinforce their learning before major assessments.
2. Help identify areas of strength and weakness in their understanding of the curriculum.
3. Foster a culture of continuous learning and preparation throughout the academic year.

The format and content of these tests will be communicated to both students and parents in advance, allowing ample time for preparation.

We believe that this initiative will enhance our students' academic performance and overall learning experience. Your support and cooperation in encouraging your child to participate actively in these assessments are greatly appreciated.

If you have any questions or concerns regarding this new assessment policy, please feel free to reach out to us.

Thank you for your continued partnership in your child's education.

Warm regards,
Parul Priya

Principal
Meridian International School.
