Dear Parents,

We are excited to announce that our pre-primary section will be celebrating **Green Day on 22nd April Monday**. This special day is dedicated to raising awareness about the importance of environmental conservation and instilling a love for nature in our young learners.

Activities planned for Green Day include:

- Planting saplings in our school garden
- Nature walks to observe and appreciate the beauty of our surroundings
- Arts and crafts sessions focusing on recycling and upcycling materials
- Special assembly on Earth Day & Green Day about the wonders of the natural world and planet Earth

We encourage all children to come dressed in **GREEN ATTIRE** and bring **GREEN SNACKS** in lunch to show their support for environmental sustainability.

Let's join hands to nurture a greener, healthier planet for our children and future generations.

With warm regards,
Parul Priya
